SUNY Cortland
CENTER FOR TEACHING AND LEARNING

December 9, 2025

Dear Jose Ortiz ,

On behalf of the Center for Teaching and Learning, I would like to congratulate you on receiving a Cortland Apple from one of your students. Last month, the Center for Teaching and Learning put out a call asking students to send an apple to professors who supported their learning and helped them succeed. One of your students asked us to award you a Cortland Apple and forward their message of gratitude.

The student, who chose to remain anonymous, took your FSA 103 course during the Fall 2025 semester. Your student wrote the following:

thank you, for always looking after us your students! And thank you for being such an amazing teacher, I always look forward to the next lesson!

We join the student in thanking you for making Cortland an amazing place to teach and learn. We encourage you to save this letter as evidence of your teaching effectiveness for any future portfolios.

Thank you for all you do.

Jennifer
