The award period begins July 1, 2024 and expires June 30, 2025. These funds are to be used as outlined in your project budget. Your maximum total reimbursement will be **$3,000.** Unexpended funds shall revert to RSPO unless extenuating circumstances are discussed and approved beforehand.

For assistance with financial procedures we have included information that defines your obligations under the program. Should you have any questions, do not hesitate to contact RSPO at x2511. Also note that as Project Director you are responsible for submitting a final report 30 days following the expiration of the project.

The Committee extends its congratulations and best wishes for a successful research project that can serve as a basis for future external support.

Sincerely,
