From: Aahhe Fellows
To: Jose Ortiz

Hey Jose,

I hope you are thriving despite the current chaos and that you and your families health is well. Thank you so much for your continued commitment in supporting AAHHE Graduate Fellows! This fellow program year has been a little wild so I really appreciate you coming threw. The alumni panel is intended to be a low stakes and open space for discussion with the panelist and the fellows. A space for folks to ask general questions and to hear about your academic and professional journey. I am including a rough agenda and some guiding questions that we hope will be addressed during the panel.

The panel will be hosted on Friday, March 5th from 11-12:30pm (PST). I am including the zoom link here but will also send out a Google Calendar invite. Please let me know if you have any questions. Here is my number just in case: 510-459-4605
