1	W teacher. Made 67 jokes sometimes.
2	Professor Ortiz gave us many readings and lenses to absorb material and think critically about it. His classes included a lecture style built in with group activities which allowed us to learn in multiple of ways. He also assigned work that furthered our learning including papers and projects.
3	I really liked the conversation format. It encouraged group participation and actually kept me engaged in the material. Professor Ortiz was good at showing different sides of arguments and encouraging critical thinking. Overall, one of my favorite classes of the whole semester.
4	He is a very good professor, he knows what's he is teaching and is very helpful and understanding. I liked this class a lot the assignment are good and the class was very interesting overall a great professor who enjoys what he teaches. I would definitely retake a class with him.
