Hello talented colleagues,

I am writing to remind you to prepare an exciting strategy (or just interesting) to share in our session on Friday. Feel free to share orally or to share with a slide or handout - it is up to you how you would like to share your example. I am looking forward to our session on Friday and if you have any questions, please let me know. Thank you for your willingness to share an hour of your time and expertise. Donna

Friday, April 30, 2021, from 4 to 5 pm, Co-hosted by the Faculty Development Committee, the Online Learning Group, and the Online Teaching Group

A discussion on the lessons, strategies, ideas, and successes gained by teaching virtually this past year. A host of faculty will share what they learned and what they will keep for their future courses. Come share your ideas and listen to others share their winning strategies as well. The session will be kicked off by Kim Wieczorek, Krystal Barber, Jose Ortiz, Hailey Ruoff, Kristina Maricle, Jeremy Jiménez, the Online Learning Group, and the Online Teaching Group.
